Housekeeping

We appreciate your adherence to the following:

- Take your rubbish with you or put it in the bins provided
- In case of an emergency, evacuate the building via the main entrance and assemble in the courtyard outside
- No loud or boisterous behaviour will be tolerated anywhere in the University

Finally, our presenters have spent a lot of time preparing their presentation for you today. Please show your respect by not talking or distracting other students during the sessions.

Lunch break

A sausage sizzle is provided free for students and will be served in the Chemistry Building (#68) Courtyard, close to the venue. A separate teachers lunch will be served in Room 324 of the John Hines Building (#62 - connected to the venue). We have a tight timeframe to stick by.
