

# Student Economics Competition 2017

THE UNIVERSITY  
OF QUEENSLAND

**24th – 28th July 2017**

## COMPETITION DETAILS

The competition format for 2017 will be a multiple choice question format. There will be two separate divisions – Year 11 and Year 12.

The papers will consist of 40 multiple choice questions based on unseen stimulus material. The test will be unitised with students having to complete two units, one on syllabus core and another on general economics.

Schools will need to register for the Competition at [www.qeta.com.au](http://www.qeta.com.au) which is the only way to register. Only schools which have registered via the QETA website will receive the actual test papers. QETA will provide the test via email to teachers. Schools will need to copy sufficient test papers for their participating students.

Students will answer the test on a student response sheet and the teacher will forward these to QETA for grading.

After grading, should there be a tie for 1st, 2nd or 3rd place, places will be determined by student performance on pre-determined sub-set of more difficult questions.

### PRIZES: For each division:

**First Place \$125-00**

**Second Place \$ 75-00**

**Third Prize \$ 50-00**

### Total Prize Money \$500-00

- All participants to receive a professionally prepared and printed full colour certificate.
  - Entries will be graded as Participant, Credit, Distinction, High Distinction.
- The necessary number of correct questions to achieve C, D and HD will be indicated on the test paper.

### IMPORTANT DATES

Completed papers to be received by QETA no later than 7th August 2017.

Marking of papers to be completed by 28th August 2017. Results to be emailed/faxed to schools by 7th September with formal letter to follow. Presentation of prizes 11th September 2017.
